

SALLY FOLEY-LEWIS

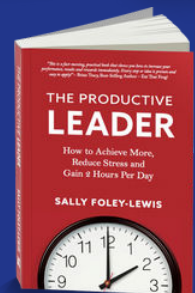

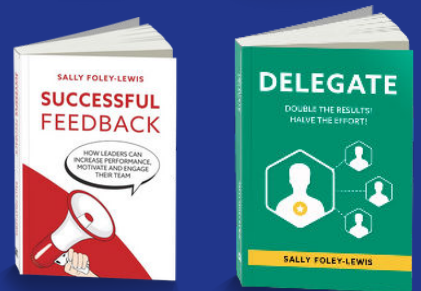

Middle Manager Leadership Expert

Your first choice speaker for your event

Sometimes the best place to be and to lead from, is the middle!
Middle managers are the single most important factor in driving productivity.

Sally Foley-Lewis inspires middle managers to be high performing, purposeful and productive. She ensures people reach their potential. Sally positively impacts confidence, leadership and results. A multi-award winning global expert and Certified Speaking Professional, Sally has authored multiple books. The drive to support and skill middle managers comes from her own CEO and senior leadership experiences. Through keynote speeches, conference presentations and masterclasses - online and face-to-face - Sally inspires, empowers, and ignites action.
